Cutting and Assembly Instructions

Step 1. For wristlet, cut one 3" x 10" rectangle of fabric one 2" x 10" rectangle of Fusible Fleece.

For key fob cut one 3" x 5" rectangle of fabric and one 2" x 5" rectangle of Fusible Fleece.

Step 2. Place rectangle of fabric on ironing board, wrong side up. Center the Fusible Fleece rectangle on top of the fabric rectangle, with fusible side down. Press following manufacturer's instructions.

Step 3. Fold both long sides of the fabric rectangle over the Fusible Fleece. Press.

Step 4. Fold rectangle in half lengthwise with pressed edges tucked in between and not visible. Press and pin.

Step 5. Sew closed, as close to the edge as possible. Repeat for other long side.

Step 6. Fold the rectangle in half. Match up the ends and place in the hardware. Using the scrap of felt or batting to avoid scratching the metal, lightly squeeze the hardware shut. Double check placement before clamping down hard. Attach the key ring.

Decorative Stitching Ideas - Complete before assembling the key fob

Zigzag - Place 1" strip on top of the cutting mat. Create a zigzag pattern by using a disappearing ink marker and alternating up and down on each horizontal inch line. Stitch before attaching hardware.

Decorative machine stitch - Select a decorative stitch pattern on the sewing machine. Stitch down the center of the fabric with the design.

Additional horizontal running stitch - Add one or two additional seams down the center of the rectangle.
